## Welcome to St John's!

It is great to see you here, we would love to get to know you more. We recognise that a large church can seem daunting at first, so our objective is to be more like a family by inviting you to join a Life Group.

## About Us

**Our vision is to grow deeper in the love of God.**

Jesus prayed that His followers would be made Holy and we are pursuing our vision to be "Holy, Compelled and Fruitful." So we want to grow in holiness as we grow in the worship and purposes of God. To be compelled by the love of Christ, which means that as more of His great love for us is revealed we are compelled, also out of love, to be His hands and feet in the world - as He commissioned us. Lastly, we want to bear fruit. We don't just want to do a lot of things; we want to see the kingdom grow - we exist to bear kingdom fruit. As we pursue this vision we will grow in maturity and unity.

## Church Life

Worship is the heartbeat of what we do, for God empowers us to serve which in turn helps us deepen our discipleship. We would love you to join with us as we seek to experience more of what God has for us through His Son Jesus Christ.

If you decide to make St John's your church there are a number of different congregations you can connect with, please see the list opposite. If you are looking to deepen your faith, there's plenty of opportunity for people of all ages to join in; such as Life Groups, Revival Youth Congregation, The Light Factory (for children), events for the elderly and other social events throughout the year.

The latest news and information about events and activities at St John's is available on the website. We would like to email you weekly reminder links to the latest news items, but please let us know if you do not have access to the internet so we can provide you with printed information instead.
