

THERE HAVE BEEN TIMES

My Hope Is In You

Gillan Scott

Verse 1:

Dm Bb F
There have been times when I can't see beyond despair
Dm Bb F
All of life's joys fade away
Dm Bb F
When my heart is broken and there seems no way to turn
Dm Bb F
As sorrow engulfs my fragile soul
Bb C
I look to Heaven
Bb C
To find the answers I seek
Bb C F
Where will my hope come from?

Verse 2:

I have seen suffering and injustice in this world
When nations turn from God's Holy ways
Where rulers oppress and greed brings war upon our lands
And children can't find the food to live
I look to Heaven
To find the answers I seek
Bb C Dm
Where will my hope come from?
Bb C F
Where will my hope come from?
Bb Dm
I'll come to You, lay my burdens down
Bb Dm
For I know you are above all things
Bb C
And without You, where would I be?

Chorus:

C F Bb
My hope is in You, Your strength leads me through
Dm C
The darkest of days, the depths of the night
F Bb
Your anchor holds firm when storms rage around
Dm C
As earthly strongholds come tumbling down
F Bb
My hope is in You, my faith rests with You
Dm C
I know You'll hold me when I call to You
F Bb
Your unfailing love, Your great faithfulness
Dm C
Your blessings endure, Your grace will not cease

F Bb Dm C
Hallelujah (x4)

Bb C
Still I will praise You
Bb C
All through the tears and the pain
Bb C F
You are my strength, my hope
