St. John's

St Andrew's Bredfield Coronavirus Church Web links Page

In this fast moving situation it is therefore important to keep up with the online pages created for this time of world crisis. This links page is designed as a quick access page to some of the National Church or England updates and resources, our Diocesan pages and St John's website, where updates and a virtual service page is hosted. For this reason this pdf links page needs to be viewed on a computer. Some phones and tablets may also be compatible with this format. Just click on the blue hyperlinks as you would normally do on your device. *Every blessing, Clive (Rector).*
